

HCA Healthcare Philanthropy News

Fourth Quarter Update 2022

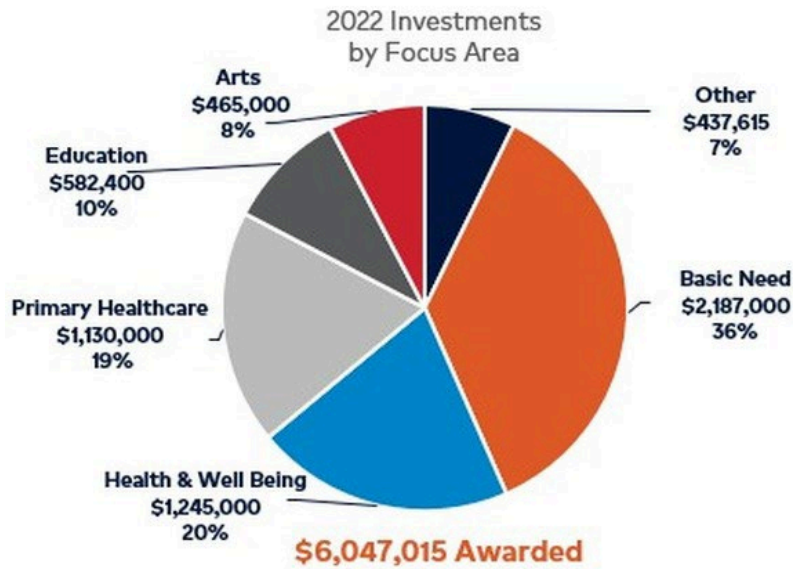

A Message from the President

As 2022 draws to a close, the entire HCA Healthcare Foundation team has been reflecting on the incredible privilege we have to work with each and every one of you. Middle Tennessee's nonprofit community continues to do such meaningful work in meeting the needs of our most vulnerable residents while inspiring hope, spreading joy and identifying solutions that will improve lives. Between Foundation grants, company sponsorships, colleague volunteers and matching donations, HCA Healthcare is committed to the continued support of the important work your organizations accomplish every day. We are proud of the many ways in which we interact with each of you and are grateful for the opportunity to be a small part of supporting your success.

Sincerely,

Joanne Pulles, Whitney Weeks and the Middle Tennessee Fund team

Year in Review

2022 Community Days: A month of service was a success!

Thank you to all of our nonprofit partners who opened their doors to HCA Healthcare volunteers this October. In total we had **2,300 volunteers log 13,000 hours to support over 120 local nonprofits!** We hope that our volunteers made a meaningful impact for each organization.

Good news! You do not have to wait until fall for the next Community Days. HCA Healthcare's Community Days: A Month of Service is moving to April in 2023. Please be on the lookout for registration information in the new year.

HCA Healthcare Colleague Board Service

If you have an HCA Healthcare colleague serving on your Board of Directors, please remind them to register their board service as volunteer time on the HCA Healthcare giving and volunteering website. For every 10 hours they volunteer, they earn \$200 to give to the nonprofit organization of their choice.

Need to update staff or board member contact information?

To ensure the correct people from your organization are receiving information from the HCA Healthcare Foundation, please let us know of any changes in staffing or with HCA Healthcare colleagues serving on your Board of Directors via this [survey](#).

Our commitment to you

At HCA Healthcare, we strive to be a collaborative and supportive partner to our Middle Tennessee nonprofit organizations. We build these partnerships through giving nonprofits the ability to:

- **Apply** for an HCA Healthcare Foundation grant
- Include HCA Healthcare colleagues on your **Board of Directors**
- Host volunteer groups by setting up projects with your HCA Healthcare board members
- Request corporate **sponsorship* support**

**Note: All sponsorship requests must be submitted 12 weeks in advance of an event; requests of \$20,000+ must be submitted by February 1, 2023.*
