First Quarter Update 2022

A message from President

In 2021, our region's nonprofit community performed millions of individual acts of service in Middle Tennessee. Whether through a nutritious meal, a tutoring session or a medical or dental visit, acts of skilled and compassionate care happened year round, providing residents of our communities access to a better tomorrow. HCA Healthcare is proud to have been **a small part of supporting Middle Tennessee's agencies** through sponsorships, volunteer service and board member participation, as well as by grantmaking from the HCA Healthcare Foundation.

Last year, we focused on updating our grantmaking process with your feedback. This year, we're refreshing our colleague board training and support, and have already put more opportunities in place for our colleagues to volunteer. We look forward to working even more collaboratively with you to create healthier tomorrows.

Sincerely,
Joanne

Joanne Pulles,
President of the HCA
Healthcare Foundation

Organizations receiving sponsorship funding from **HCA Healthcare** can use either the HCA Healthcare company logo or the HCA Healthcare/TriStar logo for visual recognition.

If an organization receives a grant from the **HCA Healthcare Foundation**, the nonprofit should use the HCA Healthcare Foundation logo. Though both HCA Healthcare and the HCA Healthcare Foundation names and logos were updated in 2020, we know not all organizations have received updated materials.

If your organization needs updated marketing / acknowledgement logos, please reach out to [Betsy Whitaker](#) (Corporate Sponsorship) or [Elizabeth George](#) (HCA Healthcare Foundation).

HCA Healthcare Foundation welcomes new program director

The HCA Healthcare Foundation welcomes Dana Patel to the role of program director. Dana has been a part of the HCA Healthcare family for three years. As director, her primary focus will be connecting nonprofit agencies with volunteers from HCA Healthcare throughout the year as well as leading our annual Community Days: A Month of Service.

Regarding her new position, Dana said, "I am thrilled to be a part of this incredible organization that so passionately believes in giving to and serving Middle Tennessee's nonprofit community. And, I am excited to work alongside of each of you to make a positive impact on the lives of our neighbors."
