## Third Quarter Update 2022

### 2022 Crush the Crisis campaign

HCA Healthcare will host its fourth annual **Crush the Crisis Opioid Take Back Day** on Saturday, Oct. 29, to align with the Drug Enforcement Administration's National Prescription Drug Take Back Day. These events – which will take place throughout the HCA Healthcare enterprise – aim to educate our communities on the risk of opioid misuse, while providing a safe and anonymous way to dispose of medications that may be left over from previous procedures or medical visits.

Please help us by encouraging your clients to safely and anonymously dispose of unused and expired medication at one of our participating collection sites. Visit your nearest **TriStar Health** facility to find a participating collection site near you on Oct. 29.
